

**OBSERVATION FOR ADVANCED PRACTITIONER DIPLOMA
(after completion of all Sessions and Assignments)**

Students are welcome to use this form with fellow-students or practitioners, observing each other and giving each other feedback before being observed by a Teacher Observer.

Date of observation:

Name of student:

Student's email:

Name of Teacher Observer:

Observer's email:

Teacher gives a copy of this observation to the student immediately after the session and keeps a copy for their own records. If the observation is by Skype/Zoom, Teacher Observer needs to scan this document & email it to the student immediately after the session.

If there are a few items that need more work and Teacher Observer feels that student will integrate these improvements, Teacher needs to immediately email info@resonancerepatterning.net requesting RRI to certify the practitioner.

If there are many areas needing improvement, suggest that the student integrates these improvements before being observed again.
